

NICHIAS Environmental Charter

NICHIAS contributes to the realization of a society centered on sustainable development by utilizing our “Insulation and Protection” technology solutions in the reduction of a variety of negative environmental impacts including the mitigation of global warming.

Environmental Action Guidelines

In keeping with the NICHIAS Environmental Charter, NICHIAS continually engages in and endeavors to improve upon the following activities.

1. Thorough compliance

Fulfill social responsibilities by not only observing legal requirements, but also establishing and implementing our own voluntary standards.

2. Development of products with lower environmental impact

Strive to develop and promote products and services effective in reducing environmental impact.

3. Enhancement of environmental performance

Establish and make progress toward environmental goals in such areas as energy and natural resources conservation, and chemicals management, etc.

4. Coexistence with society

Coexist with the local community, and value the rich natural environment.
